

Abyde partners with Acquios Alliance to deliver HIPAA compliance solutions to private practice optometrists

TAMPA, FLORIDA, UNITED STATES, July 1, 2020 /EINPresswire.com/ -- Abyde, an intuitive and industry leading HIPAA compliance software solution for private practices, today announced it has joined Acquios Alliance's network of top vendors to deliver exceptional HIPAA compliance solutions to their members.

Abyde's collaboration with Acquios Alliance helps alleviate the unique challenges private practice optometrists encounter by providing them with state of the art HIPAA compliance programs designed to reduce the time, resources and stress that accompanies a complete HIPAA program.

“

“Abyde's HIPAA compliance solution is the best choice for our members, and we are proud to work together to help our optometrists continue to excel.”

Rick Guinotte, CEO of Acquios Alliance

Abyde's software solution is the easiest way for any sized eye care practice to implement and sustain comprehensive HIPAA compliance programs. Abyde's revolutionary approach guides providers through mandatory HIPAA requirements such as the Risk Analysis, HIPAA training for doctors and staff, managing Business Associate Agreements, customized policies and more.

“As part of Acquios Alliance's selective network Abyde is now poised to deliver exceptional HIPAA services designed specifically for the needs of an independent optometrist -

which is a unique challenge,” said Matt DiBlasi, President of Abyde. “This partnership will allow us to provide the same comprehensive HIPAA solutions we are known for to a growing group of eye care providers.”

“Acquios Alliance works to deliver solutions that connect our members to industry leaders, and our partnership with Abyde will help to fill needed gaps in practice's HIPAA compliance

programs,” said Rick Guinotte, CEO of Acquios Alliance. “Abyde’s HIPAA compliance solution is the best choice for our members, and we are proud to work together to help our optometrists continue to excel.”
