"The recent tasing incident of June 5, 2020, by Fairfax County Officer Tyler Timberlake is truly the tip of the iceberg, from the complaints we are receiving. Through litigation review and Freedom of Information Act and other legal measures, [Black Lawyers for Justice](http://www.blacklawyersforjustice.org) will be reviewing citizen complaints, community complaints, personnel records, lawsuits, and discrimination that has been alleged is in fact correct. We expect the Chief of Police Ed Roessler, Jr. and the County Executive and the County Council to fully comply with our vigorous investigation." – Malik Z. Shabazz, Esq.
