

# Addressing the Current Oil Crisis and Impact of COVID-19 at the Oil & Gas Leadership and Success Virtual Summit

*Keeping you up to date with the issues, and providing strategies, ideas and solutions during the current crisis*

NAIROBI, KENYA, June 30, 2020 /EINPresswire.com/ -- The [Oil & Gas Leadership and Success Virtual Summit](#) was realised In March when the world had begun to feel the impact of the COVID-19 pandemic, and organisers Joe Watson Gakuo and Jodee Lourensz look forward to launching this unique platform that gives you on-demand presentations, interviews and panel discussions.

Bringing together the top Oil and Gas Business Experts, Industry Thought Leaders, Independents, Government, Key Stakeholders, Strategic Thinkers and Operational Leaders, and designed to take you on a step-by-step journey throughout the Oil and Gas Value Chain on how to deal with the current crisis, adapting to a new world order and how to succeed going forward.

As a registered participant, you will have access to five days' worth of content with C-Suite and Senior Executive speakers and panelists covering a broad range of topics, with the objective to help you navigate the current problems being faced within the industry.

There is no travel, no approval forms to complete, and no re-scheduling of meetings so that if you attend, you will have a week of work to catch up on. You have the choice to tap in and tap out daily. You will also have access to presentations post event for a limited time.

"We are excited to be organising this event providing a platform to discuss the problems and
