

# Shawn Rana Speaks about Career Motivation and Focus

*Shawn Rana recently shared what he has learned throughout his work as a senior executive and consultant in several different fields*

MOBILE, ALABAMA, UNITED STATES, June 30, 2020 /EINPresswire.com/ -- In a recent interview with [Thrive Global](#), Shawn Rana shared what he has learned throughout his career, which spans over more than 25 years.

As a senior leadership team and executive and consultant, Shawn Rana has worked in a variety of industries, including fertilizers, oil and gas, and agrichemicals. He holds a Bachelor of Science degree in Mechanical Engineering from the University of Manitoba.

In his interview, Shawn Rana shared that he sets daily, weekly, monthly, and yearly goals. He said that when he feels unfocused, he reviews his goals to ensure he is setting the right priorities, which helps to get him back on track.

He further explained how he believes artificial intelligence is creeping into everything we do, but it has a lot of positive implications for society. He said that AI improves the work experience for workers in the agriculture sector by improving safety, environmental aspects, and quality of life.

Shawn Rana also shared two of the biggest life lessons he has learned.

“Treat others how they want to be treated. Good always gets rewarded with good”, said Shawn Rana.
