

# Barchart Announces Data and Services Partnership with ZE PowerGroup

*Collaboration gives clients optimize access to financial, energy and commodities market data*

RICHMOND, BRITISH COLUMBIA, CANADA, July 1, 2020 /EINPresswire.com/ -- [Barchart](#), a leading provider of market data and technology services to the financial, media, and commodity industries have announced a new partnership with [ZE PowerGroup](#) (ZE), a leading data integration provider for the energy, commodities, and agricultural industries. The partnership covers the integration of Barchart market data into ZE's products and services.

"We understand how crucial it is for data integration leaders, like ZE, to ensure their data is clean and reliable," says Barchart's Head of Strategy Keith Petersen. "By providing a streamlined solution to access our catalog of global commodities data, ZE Power can easily extend their customer-oriented solutions into new markets and verticals."

“

The ZEMA™ value proposition allows users to dynamically visualize broker data alongside other markets technical and fundamental data”

*Aiman El-Ramly, Chief Business Officer at ZE PowerGroup*

"ZE and Barchart have enjoyed a long relationship. The [ZEMA™](#) value proposition allows users to dynamically visualize broker data alongside other markets technical and fundamental data. We look forward to continuing to serve our mutual clients that rely on Barchart data in their strategic decision making," says Aiman El-Ramly, Chief Business Officer at ZE PowerGroup.

The new strategic relationship includes access to additional data from Barchart, enhanced collaboration on marketing and content generation, and an understanding to partner more

closely in developing solutions for each firm's current and prospective clients. As individual leaders across financial and commodity data, the two firms are able to jointly bring client-led solutions to market with great speed and efficacy.
