At a time when the world is going through one of the most challenging events in our history, we are doing our part to bring smiles back on people's faces. What better way to do this than to celebrate the comedic efforts of our internationally talented independent creative community!?!

Humor and laughter has always been known as the best medicine, so let's share the health!

Fun Fact: Laughter is known to reduce stress and improve your immune system.

Through the All The Laughs Comedy Awards festival, Shift Drinks Comedy is looking to recognize and reward comedic content creators for their extraordinary work. In the style of today's environment, the inaugural awards will be held virtually. The three day event will include screening parties consisting of the works from all the nominees, online industry panels, and an online awards presentation with some great special guests. Our goal is to celebrate comedy, community, and collaboration.

“At the beginning of this year, playing off the number, I hoped that 2020 would be the year that we would finally see clearly, but it’s turning out to not be what we all expected. If laughter is the best medicine, let’s come together (virtually) to laugh, love, and learn,” says Dominick Racano, All The Laughs Comedy Awards Festival Director and Co-Founder of Shift Drinks Comedy.

Content creators are encouraged to submit their work at a nominal fee. A 20% discount on the submission fee is now available using the promo code “Laugh2020” (valid til the submission deadline, Sept 16th).
