

RegScan and EXP Announce New Partnership

WILLIAMSPORT, PA, USA, July 1, 2020

/EINPresswire.com/ -- [RegScan](#), Inc., a trusted provider of global compliance solutions for Environmental, Health, & Safety professionals, is pleased to announce that the RegScan™ regulatory content can now integrate with [EXP](#) Integrated Compliance Management Systems.

EXP customers who subscribe to RegScan content can pull the most current regulatory information available in RegScan databases into their own EXP software interface.

"As part of our ongoing effort to provide best-in-class content to EHS professionals, we're excited to partner with EXP", said Ned Ertel, President and CEO of RegScan, Inc. "RegScan continues to expand our collection of regulatory content to cover over 200 jurisdictions worldwide, and working with a global enterprise software provider like EXP is a win-win for our shared clients."

"We are pleased to partner with RegScan and offer their up-to-date regulatory content and audit protocols", said Sree Velicheti, CEO of EXP "seamlessly integrated within our comprehensive and highly flexible QEHS platform, providing a value added and efficient approach to regulatory compliance for our clients."
