

AppreizCoach Employee Engagement Application with Employee Coaching - Now Available

With AppreizCoach, Appreiz adds employee mental wellness to its engagement platform

WALNUT, CA, USA, July 2, 2020 /EINPresswire.com/ -- [Appreiz](https://www.appreiz.com/) Inc., today announced that its AppreizCoach provides coaching to address employees mental wellness during these uncertain times. The AppreizCoach app integrates with Appreiz and delivers a simple yet powerful gamified experience to engage employees with wellness.

Nidhi Lal, Partner of Coaching vertical, Appreiz Inc. commented, "AppreizCoach is an offering which will help organizations demonstrate their commitment towards employees well-being, positive engagement and development opportunities".

Appreiz Enterprise edition allows customers to provide a positive employee experience, increase motivation, and boost effective utilization of employee strengths and create a strong culture of collaboration. Customers can now discover, try and buy the solution online at <https://www.appreiz.com/>, where they can activate a 30-day free trial.

Jayashree Venkataraman, CEO of Appreiz Inc. commented, "By offering AppreizCoach, we help businesses to invest in an engagement platform which provides a positive employee experience combined with wellness to increase productivity".

What does Appreiz provide to customers?

- A simple application to engage employees with instant peer-to-peer recognition and feedforward
- Gamified models of rewards and social recognition to increase employee motivation and productivity levels
- A human resource (HR) analytics dashboard to display the demonstrated values, competencies and skills
- The ability to integrate with the goals/KPI and performance management
- Employee engagement solutions such as a "HappyMeter" (pulse survey), polls and broadcast messaging tools
- Talk to a Coach – 1:1 coaching to realize unlimited potential or to deal with uncertainties like COVID, anxiety, stress for mental wellness

Appreiz Inc. is a partner in the SAP PartnerEdge® program. As such, it is empowered to build, market and sell software applications on top of market-leading technology platforms for SAP.
