

Rocket Marketing and Design Now Offering Free Quotes for Digital Marketing and Web Design Projects

An industry leader in website design is now offering digital marketing and web design quotes at no cost.

MIAMI, FLORIDA, UNITED STATES, July 2, 2020 /EINPresswire.com/ -- According to statistics

(<https://www.internetworldstats.com/stats.htm>),

there are more than 4 billion internet users; however, six out of 10 small businesses (64% (<https://clutch.co/>)) don't have a website. But thanks to the free digital marketing and website design quotes being offered by [Rocket Marketing and Design](#), businesses across the globe now have the opportunity to ensure that they are where they should be in today's digital world.

"We're very excited to be able to offer this service free of charge," said Michael Hernandez, president of Rocket Marketing and Design.

Rocket Marketing and Design is an award-winning, full-service web design and Internet marketing company. The [free quote](#) is available by filling out a short form on the company's website or by calling (786) 332-5888.

The free quote covers all the following services:

- Responsive Website Design
- Search Engine Optimization
- Google My Business Optimization
- Social Media Marketing
- Pay Per Click

- Reputation Management

The company, which is the recipient of the 2020 National Excellence Award - listed in the top one percent of agencies in the United States - and listed as a Top Web Designer by ThreeBestRated, strives off of providing customers with the best personal attention for the company's needs.

As it relates to websites, Michael explained that your website showcases your business round the clock, making it a great reason to get a website consultation.

"Your website represents your business online, even when you are not always available," Michael stressed, before adding, "Its font, images, colors, and everything in it will affect how people will look at your business because your website also helps form people's impression of you."

Michael went on to point out that your website is the online counterpart of your business.

"It can help create first impressions about your business and brand, and in such a busy market, first impressions matter big-time," Michael said. "Our free quote will help ensure that all small businesses succeed via digital marketing and their website."
