

# Fran Briggs Releases the Best of Summer Reading, 2020

*List showcases bestselling and novice authors' literary talent, influence, and originality*

NEW YORK, NY, UNITED STATES OF AMERICA, July 4, 2020 /EINPresswire.com/ -- If you love reading books, any summer is a good one. American Journalist, [Fran Briggs](#) recently announced the Best of Summer Reading, 2020. The list puts the spotlight on a select few of endlessly talented and distinguished authors.

Consideration as an honoree was generated by submissions from artists or their management. The vast array of authors represent both bestselling and new talent. Featured are writers who have appeared on stages, television, radio stations, and blogs around the world.

"When it comes to summer, books, and the people who love them, this is an extraordinary source," stated Briggs. "It's an opportunity for the authors to showcase their unique talents while capturing the attention of readers who enjoy a mass appeal of great subjects. Selections include mystery; health and fitness; Black history; personal development and romance."
