NEW YORK, NEW YORK, UNITED STATES, July 7, 2020 /

EINPresswire.com/ -- — Best Selling Author & International Celebrity Business Strategist [Gibson Sylvestre](#),

MBA has launched a nationwide feeding revolution designed to eradicate hunger in the United States specifically linked to the Covid-10 pandemic. It's called the:

#BIGBLESSINGSBOX

#BIGBLESSINGSBOX

This revolution was born out of Mr. Sylvestre reading an article by the Brookings Institute which asserted that 40.9 percent of mothers with children ages 12 and under reported household food insecurity specifically linked to the COVID-19 pandemic. Sylvestre is driven by a passion to spur others to be actionable and be a part of the solution.

"It's a moral abomination to have families with small kids facing starvation and food insecurity in the wealthiest nation in the history of the world!" says Sylvestre.

How does #BIGBLESSINGSBOX PROGRAM WORK?

Step 1-Fill a simple box with non-perishable foods, such as canned goods and dried fruit, veggies etc.

Step 2-Find a neighbor or friend of a friend who is struggling finding food for their families.

Step 3-Discreetly place the box at their door step (anonymously).

Step 4- Then Challenge a family member, coworker, or friend to do the same(creating a chain reaction).

Step 5-Post your experience at the hashtag #BIGBLESSINGSBOX

The goal is to compassionately assist fellow struggling neighbors while adding dignity to them. Go to Gibson Sylvestre's Instagram page: @gibsonsylvestre777 or [www.gibsonsylvestre.com](http://www.gibsonsylvestre.com) to find out more information.

The goal is to help at least one million families by December 31st, 2020.
