HENDERSON, NV, USA, July 7, 2020 /EINPresswire.com/ -- [Anthem Injury Lawyers](#) Selected as Mountain States Super Lawyers

Anthem Injury Lawyers is proud to announce 3 of its lawyers are listed as Mountain States Super Lawyers.

Senior Counsel Amanda Brookhyser was named by Super Lawyers as a 2020 Mountain States Rising Star for the category Civil Litigation: Plaintiff. Founding Partner Anthony B. Golden was selected for the Super Lawyers list under Employment & Labor. Founding Partner Puneet K. Garg continues to be listed as a Mountain States Rising Star.

Every year Super Lawyers selects the top Nevada lawyers from 70 practice areas. The list is intended to be used by the public to enable individuals to select outstanding lawyers. The patented multiphase selection process involves peer nomination, independent research, peer evaluation, and final selection. Super Lawyers are limited to only 5 percent of the lawyers in Nevada.

Rising Stars must meet the same criteria as Super Lawyers. To be a Rising Stars candidate the lawyer must be either in practice for less than 10 years or 40 years old or younger. Rising Stars can only represent 2.5 percent of the lawyers in Nevada.

Step 1 of the selection process involves nomination. Lawyers are either nominated for the candidate pool by peers or through research by the Super Lawyers staff. Nevada lawyers can only be nominated by other Nevada lawyers. Nomination does not guarantee placement on the list.

Step 2 of the selection process involves independent research by Super Lawyers. Its research department evaluates each of the candidates based on the following 12 factors:

- Verdicts/settlements
- Transactions
- Representative clients

- Experience
- Honors/awards
- Special licenses/certifications
- Position within the law firm
- Bar and/or professional activity
- Pro bono and community service
- Scholarly lectures/writings
- Education/employment background
- Other outstanding achievements

Step 3 of the selection process is peer evaluation by practice area. Candidates are reviewed by a panel from their practice area. The panel consists of candidates with the highest point totals from steps 1 and 2. The panel rates the candidates on a scale of 1 to 5.

Step 4 is final selection. For final selection, candidates are grouped into firm-size categories so candidates only compete against candidates from similar sized law firms. Selections are limited to 5 percent of the total lawyers in Nevada.
