

The Electronic Discovery Reference Model's CEO Mary Mack Interviewed by CEOCFO Magazine

MINNEAPOLIS, MINNESOTA, UNITED STATES, July 7, 2020 /EINPresswire.com/ -- Setting the global standards for e-discovery, The Electronic Discovery Reference Model ([EDRM](#)) is pleased to announce that Mary Mack, CEO and chief legal technologist, is honored to have been [interviewed by CEOCFO magazine](#).

Mary Mack leads the global project-based organization EDRM and is known for her skills in relationship- and community-building as well as for the depth of her e-discovery knowledge, both legal and technical. She is frequently sought by media outlets for comment on industry issues and by conference organizers to participate, moderate panels, lead workshops or deliver keynote addresses.

“

Attention and engagement are the new currency, and the contributors to EDRM's frameworks and resources are serving a global, multidisciplinary audience who support the rule of law.”

Mary Mack, CEO, EDRM

Mary is the author of “A Process of Illumination: The Practical Guide to Electronic Discovery,” considered by many to be the first popular book on e-discovery. She is the coeditor of the Thomson Reuters West treatise “E-Discovery for Corporate Counsel.” Mary was also recently honored to be included in the book “Women Know Cyber: 100 Fascinating Females Fighting Cyber Crime,” published by Cyber Ventures in May 2019. Mary is a member of the

Illinois Bar Association, is a certified information systems security professional (CISSP) and holds additional certifications in data forensics and telephony.

“Kaylee Walstad, EDRM's chief strategy officer, and I, are humbled to steward the work of the EDRM global community and to make our resources freely available throughout the world,” said Mary Mack. “Attention and engagement are the new currency, and the contributors to EDRM's frameworks and resources are serving a global, multidisciplinary audience who support the rule of law.”
