

# Alaska Mesothelioma Victims Center Appeals to the Family of a Navy Veteran in Alaska with Diagnosed Mesothelioma to Please Call Attorney Erik Karst of Karst von Oiste About Compensation-It Might Exceed \$1,000,000

ANCHORAGE , ALASKA, USA, August 24, 2020

/EINPresswire.com/ -- The Alaska

Mesothelioma Victims Center is appealing to the wife, or adult children of a Navy Veteran with recently diagnosed mesothelioma in Alaska to please call attorney Erik Karst of the law firm of Karst von Oiste anytime at 800-714-0303 to discuss compensation. Mesothelioma compensation for a Navy Veteran can frequently be in the millions of dollars-provided the Navy Veteran and their family hire a lawyer who knows what they are doing. Erik Karst of the law firm of Karst von Oiste knows what he is doing when it comes to mesothelioma compensation for US Navy Veterans.

“

"If you are a Navy Veteran with mesothelioma in Alaska or their family-please call attorney Erik Karst of the law firm of Karst von Oiste at 800-714-0303. We think you will be glad you did."

*Alaska Mesothelioma Victims  
Center*

"We are deeply concerned that because of the Coronavirus many Navy Veterans who were displaying symptoms of mesothelioma were misdiagnosed with COVID-19 or they avoided going to an ER out of fear of getting this virus. In either instance it means their mesothelioma might now be in an advanced stage. We also know that because of the Coronavirus many Navy Veterans with mesothelioma have delayed starting the financial compensation process-please-don't do this. If you are a Navy Veteran with mesothelioma in Alaska or their family-please call attorney Erik Karst of the law firm of Karst von Oiste at 800-714-

0303. We think you will be glad you did." [www.karstvonoiste.com/](http://www.karstvonoiste.com/)

The Alaska Mesothelioma Victims Center's free services for people with mesothelioma anywhere in communities such as Anchorage, Fairbanks, Juneau, Sitka, Ketchikan, Eagle River, Homer, Palmer and Nome. <https://Alaska.MesotheliomaVictimsCenter.Com>

For the best possible treatment options in Alaska we strongly recommend the following three health care facilities with the offer to help a diagnosed victim, or their family get to the right physicians at each hospital:

\* Alaska Regional Hospital-Anchorage: <https://alaskaregional.com/>

\* Providence Alaska Medical Center-Anchorage: <https://alaska.providence.org/locations/p/pamc>,

High-risk work groups for exposure to asbestos in Alaska include US Navy Veterans, workers at Elmendorf Air Force Base, Fort Richardson, Eielson Air Force Base, oil field workers, off shore oil/gas rig workers, oil pipeline workers, marine mechanics, commercial fishermen, pulp and paper mill workers, power plant workers, public utility workers, manufacturing workers, carpenters, plumbers, electricians, auto mechanics, machinists, welders, insulators, or construction workers. In most instances these types of people were exposed to asbestos in the 1950's, 1960's, 1970's, or 1980's. <https://Alaska.MesotheliomaVictimsCenter.Com>

The states indicated with the highest incidence of mesothelioma include Maine, Massachusetts,

Connecticut, Maryland, New Jersey, Pennsylvania, Ohio, West Virginia, Virginia, Michigan, Illinois, Minnesota, Louisiana, Washington, and Oregon. [www.karstvonoiste.com/](http://www.karstvonoiste.com/)

For more information about mesothelioma please refer to the National Institutes of Health's web site related to this rare form of cancer: <https://www.cancer.gov/types/mesothelioma>
