Tom Furness "Grandfather of VR" Kicks Off First HR Conference in Virtual Reality

The World's Largest Virtual Reality HR Conference

VANCOUVER, BRITISH COLUMBIA, CANADA, July 8, 2020 /EINPresswire.com/ -- Tom Furness "Grandfather of VR" Kicks Off First HR Conference in Virtual Reality

The World's Largest Virtual Reality HR Conference

In partnership with Genius Ventures Inc, BentoHR, Microsoft, and powered by Altspace in Virtual Reality, on July 28 & 29, the world's first-ever Global HR Summit will showcase immersive workplace (XR) technologies that enable digital transformation and make workplaces more human-centric. The alliance between these innovative, forward thinking organizations has laid the foundation for what is expected to be "THE HR conference of 2020 "

Join us on July 28 & 29 as we set out on our journey together; unveiling a new set of tools to build organizations of the future.

The opening keynote will be delivered by Tom Furness, "The Grandfather of VR", with proceeds from ticket sales going to his charitable organization; Virtual World Society - which aims to use immersive technology to drive positive change.

The Global HR Summit takes place on July 28 & 29, 2020 and is presented in 2D (YouTube Live/Altspace on PC) and 3D (virtual reality) formats. The event will also be recorded in its entirety and available for future viewing.

The Global HR Summit invites its visitors to immerse themselves in future workplace (XR)

technologies that inspire and real change, with a list of event discussion topics that include:

KEY TOPICS
Digital Transformation: The Path to Human-Centricity
Diversity, Equity & Inclusion Reimagined
XR Deployed: What HR Organizations Are Doing Today
Working Parents: Our New Normal
XR Technologies in Recruitment, Performance & Learning
