

Alternative Artist Lailien Releases Magical New Album, TA-DA!

TA-DA! Available Now on All Major Platforms

LOS ANGELES, CALIFORNIA, UNITED STATES, July 22, 2020

[/EINPresswire.com/](https://EINPresswire.com/) -- Lailien releases his newest project, an alternative album titled, TA-DA!. This album follows the release of his latest music videos, "Agent Amsterdam" and "Valentine."

"Ta-Da," often a word used for magic spells or a moment to recognize attention/revelation, perfectly describes the playful and transformative vibe and theme of the 11-track album. Highlights on the album include: "Mr. Gorgeous," "Michael Jordan Peterson," "Money," and "Fly With You."

TA-DA! tells a revolutionary origin story of Lucifer and our fallen world. He is progressively shown to be manipulating society behind the curtains. The album takes listeners through his journey of great complexity, as he wrestles with existence and ontology, the study of being. As listeners hear Lucifer's journey, some may begin a journey of their own through the connection of the spiritual world and their own consciousness.

"With all due respect to the artist, the album is in many ways the antithesis to Kanye West's Jesus Is King insofar as it presents a much more nuanced and finely attuned story of creation devoid of pre-given doctrine that fails to adequately address the actuality and complexity of our particular contemporary historical moment," says Lailien.

The cinematic lyric video for "Money" is currently available on YouTube.

TA-DA! is available now on [SoundCloud](#) and all other major platforms. Follow Lailien on [Instagram](#) or visit his [website](#) for more information on the upcoming successes.
