Autentico Vertical has only been in Mexico for a few years, but it has already made a heavy impact. A fresh concept from famed Developer Mario Lira, the building's approach is to provide residents with modern amenities and a hip vibe, while maintaining a cool elegance that is indulgently luxurious. "AV has an incredible location," states Paul Geisler, Broker from [Cabo Dream Homes](#) Real Estate. "And the energy of the brand radiates throughout the community. The Developer oversees everything within the building: custom-made furniture, the boutique's clothing line, the finishes in the common areas and the selection of art

throughout the property; Lira has thought of every detail.”

The first Autentico Vertical community was finished in Guadalajara in 2018. With overwhelming demand, the company grew to Tulum, Punta Cana and other exotic locations. Los Cabos will be the crown jewel of the family as the location emblazons the lifestyle that creates an ownership-experience unlike any other.

Located central to Cabo's downtown, the venue offers an amazing perspective, with all of the amenities that one would hope for. Complete with a rooftop gym, 2 pools, a sports bar, a rooftop cocktail lounge, and sport-court; there is something for everyone. Other favorite elements are the boutique, featuring AV-style apparel and jewelry, a tattoo parlor and on-site laundry service,

ensuring you reside in the lap of luxury.

So why would a new homebuyer purchase at Autentico Vertical, Los Cabos? Beyond the new amenities and central location, the community will offer a myriad of music, culture, and art to entice all those that have a taste for culture and design. Every residence is fully furnished, turn-key and will be delivered to new owners with custom artwork from one of several artists; one of which will be Guadalajara's own Emmanuel Mendoza. Once your purchase is complete, all you need to bring is your bathing suit and a toothbrush!

Ownership also provides a great platform for nightly, vacation rental investors. Similar to Airbnb and VRBO, the residences can be rented on the open market. The Developer ensures there are no restrictions on rentals and Owners can operate as they see fit. To assist with this operation, Lira and his team have arranged an in-house rental team that will provide one of the most attractive rental programs ever seen! The team will offer all of the services that investors expect for a nominal monthly fee. This will truly be a great option for investors looking to maximize profits, while being hands-off so they can focus on other investments.

There is no guess as to why Autentico Vertical chose Cabo as a location for its pinnacle product. The tip of the Baja is known for world-renowned golf, deep-sea fishing, Baja racecar driving, horseback riding, surfing, culinary excursions, nightlife and more. Cabo is also the perfect destination for those who want to relax on the beach and for families looking to getaway. After a thorough Cabo experience, visitors quickly understand why more than 3 Million travelers arrive each year.
