“

We have graduated many nation changers, both in ministry and secular jobs who have found creative strategies to lead and experience more peace and fulfillment.”

Jorge Parrott

We have graduated many nation changers, both in ministry and secular jobs. We also have had many experienced pastors and leaders who attended traditional schools or seminaries when younger and hunger to grow in the living

Word and Holy Spirit experience a ‘rebirth’ in their passion and zeal for the presence of the Lord in their life, family and ministry. Many called to the business, education and government sectors have also found creative strategies to help them impact their ‘sphere’ of influence in the marketplace with the character of Jesus Christ.

Our school is great for busy, working families who don’t want to leave their families, home or jobs to earn their [advanced degree](#). We offer Associates, Bachelors, Masters, Doctoral, and Ph.D. degrees. Now accepting applications for classes starting in September 2020. Classes also available in Spanish.

We are in a war for the cause of Christ! Many nations are struggling with the anti-christ spirit to overthrow Judeo-Christian heritage and we are at risk for losing generations to darkness, chaos, and turmoil. Please share this on your social media and with friends and family about starting school in September. Great for busy, working families wanting to grow stronger in the Word and Holy Spirit.

CMM College of Theology helps people who want to grow in passion and hunger for the Lord learn to think and study in fresh ways, so that they can fulfill their destiny and build the kingdom

of God in the sphere of influence in which they are called, unlike other schools who define their student achievements by the knowledge they can recite; we build, edify, and encourage through thought-provoking work to develop depth, authority, and revelation. It is challenging; it is personal and it is powerful and you don't want to miss it.

FOCUS OF SCHOOL PER DEGREE

To better understand the OT prophets by the Spirit of God in their timeline; to gain a heart of discernment and maturity looking at current prophets and better understand God's expression personally, and to explore basic theology in a revelatory way through the Word of God and by His Spirit; in an environment for the student to gain deeper insight for a life of ministry, whether in a secular job or an actual ministry position.

Master of Theology Relationships, Leadership and You

To understand Biblical principles and history in a life-giving way that can be applied to find personal expression and clarity of God's plan as a leader in the coming harvest through revelatory theology and applied missions as led by the Spirit and the Word of God.
