B2B GoodFirms is a globally recognized research, ratings, and reviews platform. It evaluates each agency and lists them in the catalog of top companies so that the service seekers get connected to the best service providers. The research process integrates three main key factors that are Quality, Reliability, and ability.

These components are subdivided into numerous categories, such as to determine the complete background of each firm, years of experience in their specified areas, online market penetration, and client reviews.

Thus, by considering the overall research process, all the agencies obtain a set of scores that are out of a total of 60. Hence, according to these points, every company is indexed in the list of the best software and top companies as per their categories. Recently, GoodFirms has cultivated the latest list of [Best AWS Consulting Companies](#) based on several qualitative and quantitative metrics.

List of Top AWS Partners at GoodFirms:

SynapseIndia
