SPRINGFIELD, PA, UNITED STATES, July 14, 2020 /EINPresswire.com/ --

[Philadelphia area dentist](#) DICE Dental is

helping patients find affordable and comfortable dental care. DICE offers dentures, crowns, extractions, and [dental implants in Springfield](#), a short drive from Center City.

DICE Dental offers dental implants, dentures, extractions, and crowns in Springfield, PA

Owned and operated by Dr. Katie Alger, a graduate of the University of Pennsylvania and

Columbia University, DICE uses 3D printing, 3D x-rays, and digital impressions to deliver high-quality dental care at a price all patients can afford.

Our advanced technology and our small service catalog mean we can focus on a handful of services accurately and efficiently.”

Dr. Katie Alger

“Our advanced technology and our small service catalog mean we can focus on a handful of services accurately and efficiently,” explains Dr. Alger. “This helps us keep overhead low.”

These considerable cost savings are then passed on to patients. Dental implants start at only \$750, dentures start at only \$499, dental crowns start at \$500, and extractions start at \$99. No other crowns, implants, or [dentures in Philadelphia](#) are offered at such low prices.

To learn more about DICE Dental, Dr. Alger, and the services offered, request a free consultation by visiting <https://dice-dental.com/schedule-an-appointment/>. New patients are being accepted.

About DICE Dental: DICE Dental is a cosmetic dentist in Springfield, PA. The practice is owned and operated by Dr. Katie Alger, a graduate of the University of Pennsylvania and Columbia University. She has made it her goal to reduce the barriers patients face when it comes to high-quality dental care. Using state-of-the-art technology, DICE offers dentures, implants, crowns, and extractions (DICE) to patients in a relaxed, comfortable, and accepting environment.
