

# Investors Bank Expands Middle Market Lending

*Moving forward in the recovering economy, many companies will need rapid access to capital*

SHORT HILLS , NEW JERSEY , UNITED STATES OF AMERICA , July 13, 2020 /EINPresswire.com/ -- [Investors Bank's](#) Commercial Banking Group announced the addition of five senior-level executives who will focus on building

relationships and originating loans with middle market companies throughout the region. These commercial bankers are knowledgeable advisors who will provide a range of banking, lending and treasury management services to companies in a broad range of industries – information technology, healthcare, logistics, materials, manufacturing, real estate, and telecommunications, among others.

“

We recruited these exceptional commercial bankers to serve and assist middle market companies, which need a reliable banking partner”

*Chairman and CEO Kevin Cummings*

Investors Bank Chairman and CEO Kevin Cummings said, “As more companies and organizations expand their business activities, we are forecasting an increased demand for capital. We have significant capital reserves to assist companies, and the expertise to structure commercial and industrial loans that meet their financial needs.”

Investors' expanded commercial banking team will provide commercial and industrial (C&I) loans, equipment financing and leasing, healthcare lending, and commercial mortgages for owner-occupied properties. These bankers will serve middle market companies located across the bank's footprint in New Jersey, New York, and the entire region.

In announcing the five appointments, Mr. Cummings said, “We recruited these exceptional commercial bankers to serve and assist middle market companies, which need a reliable banking partner. We have the capabilities, technology and capital to help companies boost their growth as they navigate today's ever-changing economy.”
