WAX Cloud Wallet provides an excellent onboarding experience for new users with managed private keys.

As people get comfortable with their accounts, they will eventually want to transition to accounts where they can manage their own private keys.

@waxmeetupbot makes this transition smooth and easy!

Creating a new WAX account is free with @waxmeetupbot.

command in the WAX Blockchain Meetup telegram channel:  
/new\_account <account\_name> <public\_key>

At Malta Block, we are always thinking about improving user experience.

The bot will take the public key from your EOS account and create a new WAX account for you!

We recently announced a GPK card giveaway for using the @waxmeetupbot to create a new WAX account.

All new accounts created between June 15th, 2020 and September 30th, 2020 will be entered into a contest to win the GPK card!
