"The Connecticut Mesothelioma Victims Center is appealing to the family of a Navy Veteran with mesothelioma in Connecticut to please call attorney Erik Karst of the law firm of Karst von Oiste."

*Connecticut Mesothelioma
Victims Center*

Attorney Erik Karst of the law firm of Karst von Oiste and his colleagues have been assisting Navy Veterans with mesothelioma for decades and they are responsible for over a billion dollars in compensation for people like this. "The reason we are urging a Navy Veteran with recently diagnosed mesothelioma in Connecticut or their family to call attorney Erik Karst of Kart von Oiste is because he will be able to answer your questions, explain how compensation works and what is involved. Before you hire a lawyer to assist with financial compensation for a Navy Veteran with mesothelioma-please call attorney Erik Karst of the law firm of Karst von Oiste at 800-714-0303. We

think you will be glad you did."

For the best possible mesothelioma treatment options in Connecticut the group strongly recommend the following two health care facilities with the offer to help a diagnosed victim, or their family get to the right physicians at each hospital.

* Yale Cancer Center New Haven, Connecticut

<https://www.yalecancercenter.org/>

High risk work groups for mesothelioma in Connecticut include US Navy Veterans or shipyard workers in New London/Groton, or workers at a power plant, at an industrial facility, at a manufacturing facility, at a public utility, as a plumber, welder, a boiler technician, as an auto repairman, as an electrician, or in the construction industry. In most cases, the exposure to asbestos caused mesothelioma at one of these types of workplaces and the exposure took place in the 1950's, 1960's, 1970's, or 1980's.
