The Advocate says, "The last thing we want to see happen to a Navy Veteran with recently diagnosed mesothelioma in South Dakota or their family is for them innocently to start ordering 'free' booklets or other freebies related to mesothelioma on the Internet. We do not want a Navy Veteran or person with

mesothelioma to create a lawyer stampede by innocently calling for 'free' information. The average age for a person with mesothelioma in the US is 72 years old. If the family of a Navy Veteran with mesothelioma in South Dakota would call 800-714-0303 anytime for direct access to attorney Erik Karst-he would be more than happy to explain the mesothelioma compensation process to you. This service actually is free." www.karstvonoiste.com/
