

North Dakota US Navy Veterans Mesothelioma Advocate Encourages a Navy Veteran with Mesothelioma in North Dakota to Call Attorney Erik Karst of Karst von Oiste About Compensation That Might Exceed \$1,000,000

FARGO, NORTH DAKOTA, USA, September 4, 2020 /EINPresswire.com/ -- The North Dakota US Navy Veterans Mesothelioma Advocate says, "If you or your loved one is a Navy Veteran and he has just been diagnosed with mesothelioma in North Dakota please call 800-714-0303 anytime for direct access to attorney Erik Karst of the law firm of Karst von Oiste. Erik Karst is one of the nation's most experienced mesothelioma attorneys and he and his colleagues at Karst von Oiste are responsible for over a billion dollars in compensation for their clients for their clients with this rare cancer caused by asbestos exposure. Financial compensation for a Navy Veteran with mesothelioma can frequently exceed a million dollars.

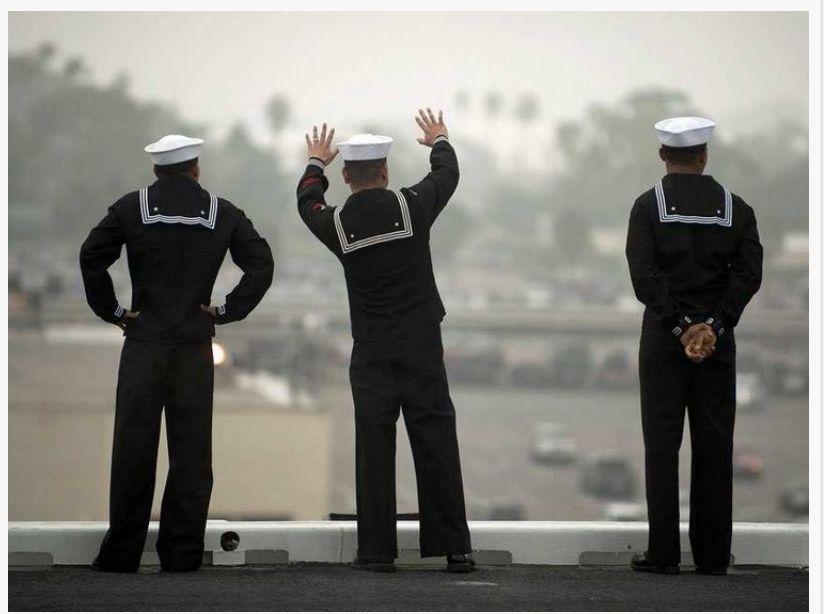

"We know for certain that fewer people with mesothelioma are being properly being diagnosed because the Coronavirus has similar symptoms. 2020 might go down as one of the worst years for mesothelioma compensation in the last two decades because Navy Veterans and people who have this cancer are being diagnosed with COVID-19. The average age for a person with mesothelioma in the US is 72 years old. If your husband or dad is a Navy Veteran and he had significant exposure to asbestos in the navy in the 1960's or 1970's please tell his treating

physicians about his asbestos exposure if he is now in the hospital with 'suspected' Coronavirus."
