

GENYSOFT BECOMES A JITTERBIT INTEGRATION PARTNER

GenySoft - Integration Experts (Integration360°) is a full-service integration technology firm partnered with JitterBit.

AUSTIN, TEXAS, UNITED STATES, July 15, 2020 /EINPresswire.com/ -- GenySoft is a full-service software solutions innovator that develops, deploys, and manages agile, modern, and cost-conscious IT environments for its clients using open source technologies. This partnership will enable organizations to leverage GenySoft's ability to develop and execute Omni Channel Digital Transformation strategies while utilizing [JitterBit's](#) Hybrid Integration platform & API management and integration products.

JitterBit's products and GenySoft's offerings perfectly mesh together with deep synergy. Our vision for this alliance is to provide a unified umbrella of services around JitterBit's products that caters to all levels of enterprise needs. These services would span – first level support, subscription, consulting, design advisories, coding evaluation, and just about anything that would be needed to either support or implement JitterBit's products for existing installations or new customers.

Integration Experts
