

Denali Da Don is Back In His Bag speaking "XQZT FACTS"

Manifested In Greatness

ATLANTA, GA, UNITED STATES, July 18, 2020 /EINPresswire.com/ -- [Denali Da Don](#) is speaking "XQZT FACTS" back to back letting the CULTURE know that "All Lives Matter" with new Double release "XQZT FACTS" & "ALL LIVES MATTER". Both tracks are off the forthcoming MUCH ANTICIPATED album "DAY IN THE LIFE OF DENALI".

Denali has been on a Campaign he labeled as "Da All Lives Matter Movement". He says XQZT TRENDY CULTURE is something more than just your average record label. "I just want to create an all genre-friendly environment where creative minds from all walks of life can unite and share creative ideas as a collective" and continue to futher the CULTURE as a whole. When asked what the consist of Denali simply replied "like minded people. He also stated that his goal isn't to get anyone tied down with any contracts or obligations, and when asked what was the purpose of XQZT TRENDY CULTURE? He humbly replied "to help put the underdog in a position to help the future underdog and so forth and so on" I'm just trying to help take as many ppl as can to the next level Ya dig.

Growing up in The Monkeyhole area in the Historical Harrisburg District in Augusta, Ga; Denali learn early on the impact that the streets can have on kids what may call difficult and write off as a lost cause. "I know what dat mud feel like! I kno how it feels to be dialed out wit out a pecan in ya pocket cuz yo mf heart thinking for your brain. I was practically crashing out for mfs who I cherished time and time again only to be disposed of says Denali (with a sense of grateful remorse). With a long catalogue of soulful, teeth clencing classics under his belt it wasnt until 2020 that Denali realized his worth (despite being reminded time and time again throughout the years). Since then he vowed to be committed to something more EPIC than HIMSELF .
