

# Microsoft Gold Data Analytics Competency achieved by Unify Dots

*Top Microsoft Power BI Partner Unify Dots earns highest distinction for cloud data analytics with Microsoft Gold Partner Status*

SEATTLE, WA, UNITED STATES OF AMERICA, July 20, 2020

/EINPresswire.com/ -- Microsoft Gold Certified Partner – [UNIFY Dots](#) – a global Microsoft Dynamics 365 and Power Platform system integrator with presence in Australia, New Zealand, Asia Pacific, North America and Europe has attained Microsoft Gold [Data Analytics](#) Competency. The Microsoft Gold Partner status highlights Unify Dots' high quality of services in Business Intelligence, Advanced Analytics and Big Data by leveraging key Microsoft analytics tools like PowerBI, SQL Data Warehouse and Microsoft Azure products such as Azure Stream Analytics, Azure Synapse Analytics, Azure Data Factory, etc.

UNIFY Dots provides Business Intelligence, Data Analytics and Reporting solutions to customers to drive informed decision-making at an executive and operational level by executives and middle-managers. The BI and reporting solutions are based on Azure Data warehouse for Big Data management and Microsoft Power BI for visualization.

The Data Analytics Gold Certification recognition, is on top of the Microsoft Gold Competency in [ERP](#) software that UNIFY Dots attained in 2019. The two Gold Certified competencies bring home the Microsoft Certified Partner's deep expertise and commitment in providing powerful cloud solutions that convert Big complex data into intelligent information.

UNIFY Dots provides business solutions for ERP Software, CRM Software, Business Intelligence, Data Analytics, Field Service, Human Resources E-commerce Software to business customers and public sector organizations. Unify Dots provides software solutions to Consumer Goods Manufacturers and CPG Distributors, Retailers, Insurers, Professional Service Providers, Real

We are thankful for this recognition by Microsoft. The Gold Certification status brings home our focus to delivering a high quality of Data Analytics services and solutions to our clients""
