Cares Act, Fort Bend County is helping local businesses recover from the devastating effects of COVID-19. This program has a specific focus on ensuring that minority and disadvantaged businesses are provided the much needed support required to get back up and running.

This program is known as the “[Fort Bend County Entrepreneur Initiative](#)”. The [Fort Bend County Entrepreneur Initiative](#) has one mission: to provide educational and coaching services to businesses in Fort Bend County that were adversely affected by the COVID-19 pandemic. There is a specific focus on targeting minority-owned, women-owned, veteran-owned, disability-owned,

and LGBTQ-owned businesses that may have not received the recovery support needed.

Entrepreneurs throughout Fort Bend County will receive one on one business coaching by local and national highly trained business coaches and consultants, invaluable monthly virtual and face to face virtual business resiliency courses, a customized COVID-19 business recovery plan, monthly mastermind strategy meetings, and six months of free access to a robust online business consulting program. Both during and after COVID-19, this will provide Fort Bend County entrepreneurs with the knowledge and support they need to bounce back and sustain.

This program will be offered to 400+ businesses located in Fort Bend County. For more information on this free program, go to [www.fortbendentrepreneur.com](http://www.fortbendentrepreneur.com).
