

Idaho US Navy Veterans Lung Cancer Advocate Is Urging the Family of a Navy Veteran with Lung Cancer in Idaho to Call the Lawyers at Karst von Oiste About Compensation-If Their Loved One Also Had Asbestos Exposure

BOISE , IDAHO, USA, September 1, 2020 /EINPresswire.com/ -- The Idaho US Navy Veterans Lung Cancer Advocate is urging the wife or adult son-daughter of a Navy Veteran with lung cancer anywhere in Idaho to please call the lawyers at the law firm of Karst von Oiste at 800-714-0303 if their loved one had significant exposure to asbestos in the navy. Financial compensation for a person like this might exceed \$100,000 and it does not matter if they did-or did not smoke cigarettes. The typical person the Advocate is attempting to identify is over 60 years old-and they are probably not aware the \$30 billion dollar-asbestos trust funds were set up for them too.

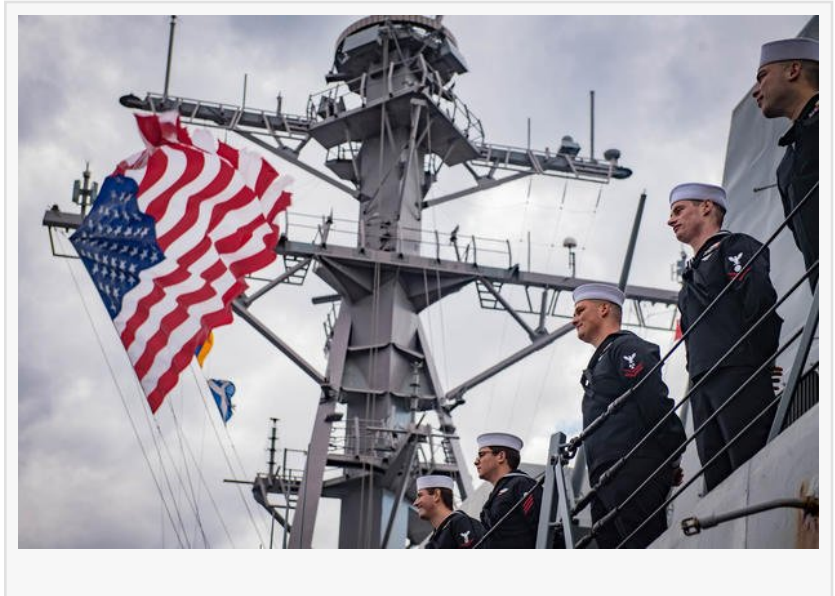

www.karstvonoiste.com/

According to the Advocate, "Most Navy Veterans who had significant exposure to asbestos in the navy decades ago and late in life develop lung cancer should get compensated and we need to emphasize the compensation claim is not a lawsuit against the navy. If you or a loved one is a Navy Veteran with lung cancer and their asbestos exposure took place prior to 1982 please call the lawyers at Karst von Oiste at 800-714-0303. The lawyers at Karst von Oiste have been assisting people with asbestos exposure lung cancer and mesothelioma for decades and they are responsible for over a billion dollars in compensation for people like this. You have nothing to lose by calling Karst von Oiste if you had heavy exposure to asbestos in the navy and you now

have lung cancer." www.karstvonoiste.com/

The Idaho US Navy Veterans Lung Cancer Advocate is proud to help the people with asbestos exposure lung cancer or mesothelioma in Boise, Nampa, Meridian, Idaho Falls, Pocatello, Coeur d'Alene, Twin Falls, Lewiston or anywhere in Idaho. <https://Idaho.USNavyLungCancer.Com>

High-risk work groups for exposure to asbestos in Idaho include US Navy Veterans, workers at the Naval Reactors Facility outside of Idaho Falls, miners in Northern Idaho, power plant workers, public utility workers, manufacturing workers, smelter workers, pulp or paper mill workers, carpenters, plumbers, electricians, auto mechanics, machinists, or construction workers. In most instances these types of people were exposed to asbestos in the 1950's, 1960's, 1970's, or 1980's.

“

If you or a loved one is a Navy Veteran with lung cancer and their asbestos exposure took place prior to 1982 please call the lawyers at Karst von Oiste at 800-714-0303 to discuss compensation.”

The US Navy Veterans Lung Cancer Advocate says, “If your husband, dad, coworker or neighbor has just been diagnosed with lung cancer and you know they had significant exposure to asbestos in the navy, at a shipyard

or while working at a factory, at power plant, public utility, or as a plumber, electrician welder, mechanic or any kind of skilled trades group in any state please have them call us anytime at 800-714-0303. Most people like this never get compensated-even though the asbestos trust funds were set up for them too. We are trying to change this sad fact.”

<https://USNavyLungCancer.Com>

States with the highest incidence of lung cancer include Kentucky, West Virginia, Maine, Tennessee, Mississippi, Ohio, Indiana, Louisiana, Arkansas, Missouri, North Carolina, Rhode Island, Alabama, and Delaware. www.karstvonoiste.com/
