Countdown begins for THE BOOK OF KHALLID authored by Malik Zulu Shabazz, Esq.

NEW YORK, NY, USA, July 19, 2020 /EINPresswire.com/ -- The long-awaited [The Book of Khallid](#), a biographical account of the notorious Dr. Khallid Abdul Muhammad, has finally come to fruition. Pre-sales began today via the website WWW.BOOKOFKHALLID.COM for the future best-selling account of the former national spokesman for Minister Louis Farrakhan, the Nation of Islam and national chairman of the upstart New Black Panther Party.

According to author Malik Zulu Shabazz, Esq. The Book of Khallid is a “vivid and meticulously detailed recount of the notorious life of one of America’s most admired and controversial figures of his era.” According to Shabazz, the final public delivery of The Book of Khallid will be September 17, 2020 but pre-sale orders will receive discounted autographed copies sooner than the official deadline. Shabazz also states that the pre-sales will help in the final completion of the The Book of Khallid and he “thanks Dr. Khallid Muhammad’s supporters profusely for their advance support.”

The Book of Khallid specifically details Khallid Muhammad’s career inside the Nation of Islam from 1967 to 1997 and thus, The Book of Khallid contains a treasure trove of unique and previously unreported information on the Nation of Islam as led by Minister Louis Farrakhan in this modern period. The Book of Khallid also relives rap music’s golden era where Dr. Khallid Muhammad became a Hip-Hop icon due to his noted appearances on best-selling Public Enemy, Ice Cube and Tupac Shakur albums.

Dr. Khallid Abdul Muhammad further rose to world fame and condemnation for his infamous Kean College speech in November 1993, where he received the unique distinction of being the only United States private citizen to ever be formally condemned by both the House of

Representatives and the United States Senate for a First Amendment protected speech. In the wake of U.S. Congressional condemnation, Khallid Muhammad was heavily condemned by Jewish groups, repudiated by Civil Rights leaders and was publicly censured and suspended indefinitely by his leader Louis Farrakhan on February 3, 1994.

The Book of Khallid narrates how Minister Khallid Muhammad, whose career drew many parallels to the

legendary Malcolm X, after languishing, would never make it back into the good graces of the NOI after his public suspension and would ultimately strike out on his own. The militant and charismatic Khallid Muhammad was the victim of an assassination attempt by Nation of Islam minister James X Bess in May of 1994. Khallid survived.

“

I guarantee the reader that this will be an all-time classic equal to 'The Autobiography of Malcolm X' and this book will carry the legacy of Khallid Abdul Muhammad infinitely into the future.”
