Hitz Magic

Jamaican UK based reggae artist Curt Chalmar Crutchley, known in music circles as Ras Charmer is all geared up to release his upcoming album titled Hitz Magic, to bring to his fans new songs alongside a recreation of re-mastered deluxe of his magical hits.

“

Ras Charmer is the fastest
rising uk Reggae/Dancehall
performing Artist”

Rodney King

The entire album was inspired by the title track 'Hitz Magic' with inspiration through life's journey; it speaks about love, handwork, money, current happenings, faith, hope and other different aspects of life. “An album for every walk of like. It's basically for lovers of music”. Title track, Hits Magic describes a bonded love with creative metaphors such as

'lighthouse in the sea, shine your light for me' with a high range of melodic vocals.

With one of the song's video 'Better Way Out' shot in Ghana, there are different genres in the album with different strokes for different folks as each song varies in tone.

The album has a collection of music spanning from migration for greener pastures, to loyalty, to ones flavored with highly metaphorical elements for unity and ones that put one in dancing shoes.

The album also features artist Amlak Redsquare on the song Nah Beg Parts, Lloyd Brown on Talking To You, Sparky Rugged on Music Is Not Violent and Elijah on Through The Blues.

The upcoming record set to be released on June 15, is a fifteen track music project which will be available on all major music streaming services such as [Spotify](https://www.spotify.com), AmazonMusic, iTunes, Deezer among others. This move is aimed at fans to hear the hidden treasures of multiple award-winning Ras Charmer that never received the musical digital exposure, as in nowadays marketing and promotion within the music industry.
