

# Ai4 2020: New Speakers Added to the Lineup!

*The fully-digital Ai4 2020 conference will be taking place on August 18th-20th with 100+ prominent industry-leaders speaking.*

BROOKLYN, NEW YORK, USA, July 20, 2020 /EINPresswire.com/ --

[Ai4](#) has been busy booking the best possible speakers for the Ai4 2020 conference on August 18th-20th. And a second round of confirmed speakers has now been added to the Ai4 2020 lineup!

In total, you can expect 100+ speakers and 35 hours of content across 16 fully-digital tracks. Tracks are industry-specific, including healthcare, finance, retail, cybersecurity, telecom, automotive, and oil & energy as well as technical, including NLP, computer vision, AI research, and more.

While it's too much for any one person to experience, you'll be able to personalize your agenda to ensure you learn exactly what you want. In addition, all registered attendees will have immediate post-conference access to all presentation recordings.

The conference is free to attend for [those who qualify](#) - and even for those who don't, the price is still 60% off the initial pricing.

See a few speaker highlights below and check the full lineup on the [Ai4 website](#).
