“Many of our standard features are other builders' upgrades,” said Roseline Serrano, director of sales for Sky Cove. “With all we include in the base price of our homes, Sky Cove is, without a doubt, the best single-family home value in Palm Beach County.”

Sky Cove's 3 to 4-bedroom, single-family floor plans range from 1,458 to 2,214 square feet and include big backyards. Several plans offer optional dens and lofts at no-additional charge – and they even offer a double-master-suite floor plan option, perfect for multigenerational living. Contemporary, Mediterranean and coastal elevation

options are also available for each model at no additional charge.

According to Serrano, the city's lifestyle amenities and schools attract homebuyers to Westlake.

Phase 1 of the Adventure Park features a tropical lagoon pool, a tower slide, splash pad, poolside concessions, an Adventure Playground, a BMX Pump Park and even bocce ball courts. Residents can barbecue at one of the many picnic areas, take in a concert at the pavilion, cool off with an ice-cream from Scoops and later enjoy amazing sunset walks throughout the community's multipurpose paths.

Sky Cove's homes include up to \$20,000 in upgrades like impact windows and quartz countertops.

Westlake already boasts a 24-hour physician-staffed ER and fire station. Future plans for the City of Westlake include a vibrant town center with shopping, retail and more.
