

# Missouri Mesothelioma Victims Center Appeals to the Family of a Person Who Has Mesothelioma in Missouri to Take Compensation Seriously and to Call Attorney Erik Karst of Karst von Oiste for Serious Results

SAINT LOUIS , MISSOURI , USA,  
September 10, 2020 /

EINPresswire.com/ -- The Missouri Mesothelioma Victims Center is appealing to the family of a person who has recently been diagnosed with mesothelioma in Missouri to please call attorney Erik Karst of Karst von Oiste at 800-714-0303 to discuss compensation. Rather than sending a 'free' booklet about mesothelioma; Erik Karst the founding partner of Karst von Oiste will take the time to explain the mesothelioma compensation process to a person with this rare cancer caused by asbestos exposure and what will be involved.

"We fear with all of the clutter on the Internet sometimes people with mesothelioma could get shortchanged by selecting a lawyer or law firm that may not know much about mesothelioma compensation. Many of the mesothelioma ads on the Internet are sponsored by middlemen law firms that sell their cases to other law firms. People with mesothelioma are not a commodity to be traded. If you live in Missouri and you have been diagnosed with mesothelioma, please call attorney Erik Karst of the law firm of Karst von Oiste at 800-714-0303. We think you will be glad that you did." For the best possible treatment options in Missouri the Missouri Mesothelioma Victims Center suggests the following healthcare facility:

\*Barnes Jewish Hospital Saint Louis, Missouri: <https://www.barnesjewish.org/cancer-center>

High-risk work groups for exposure to asbestos in Missouri include Veterans of the US Navy, civilian workers at Whiteman Air Force base, power plant workers, factory workers, public utility workers, plumbers, welders, industrial workers, electricians, auto mechanics, machinists, and construction workers. Typically, the exposure to asbestos occurred in the 1950's, 1960's, 1970's, or 1980's. [www.karstvoniste.com/](http://www.karstvoniste.com/)
