Covid 19 The Workers Union

"During this challenging time, The Workers Union focus will be on

supporting our valued members, our employees and the local work communities in which we operate.

We are working to avoid disruptions caused by the COVID-19 corona-virus, however, a reduction in response times may be experienced by our members while at the same time we will be acting responsibly to do what we can at The Workers Union family to prevent the further spread of the virus.

“

During this challenging time, The Workers Union focus will be on supporting our valued members, our employees and the local work communities in which we operate”

Colin Mahoney General Secretary The Workers Union

We will continue to closely monitor and assess the evolving situation and will be diligent about communicating on important issues. Like you, we are all gradually returning to work and the excellent services you come to expect from us are returning to some form of normality.

Thank you for your understanding during this difficult time

for everyone"
