

Lone Star School of Music, has been named the top choice in Austin for 2020 by Top Choice Awards

AUSTIN, TEXAS, USA, July 30, 2020 /EINPresswire.com/ -- [Lone Star School of Music](#), owned by Bryan Goldsmith, has been named the top choice in Austin for 2020 by Top Choice Awards. Year-long, satisfied consumers nominate their favorite companies in their city to thank them for their Top quality product and/or service. Once a company receives 25 nominations, they move on to the qualification process. Top Choice awards verify each company, ensuring their reputation and history of customer satisfaction are in good standing. In certain cases, a business review specialist is sent to confirm they meet the requirements. Qualified nominees are then entered into the voting stage. During this time, consumers vote for their Top Choice.

The Top Choice Award honors the "best of the best" based on customer satisfaction in a specific region or area. The award highlights businesses that make an impact on the community with their services, highlighting true business leaders in the region.
