

Royce Gilder Joins New Wave Home Care as Operations Manager

New Wave Home Care welcomes new Operations Manager, Royce Gilder, with 16 years of experience in the senior living and care business.

PASADENA, CALIFORNIA, UNITED STATES, July 28, 2020 /EINPresswire.com/ -- Pasadena, CA, July 28, 2020 – [New Wave Home Care announced this week](#) the hiring of their new Operations Manager, Royce Gilder. Gilder's 16 years of experience in the senior living and care business will bring added expertise to the New Wave team, a provider of [full-service elderly in-home care](#) in the Los Angeles and surrounding areas.

Throughout Gilder's time working for multiple high-volume senior living facilities, his pioneering attitude and vision have contributed to business growth as well as increased staff and client satisfaction. In previous positions, his accomplishments include receiving the Sunrise Senior Living President's Award, the highest available award given to Executive Directors to commend their operational excellence. He has also achieved status as a Certified Director of Assisted Living and a Certified Best Friends Master Trainer.

Gilder's ability to maintain excellent management standards goes beyond the traditional facets of business management. As a contributor to the caregiving industry, he understands the impacts that his responsibilities have on the [well-being of those receiving care](#). His work to increase business success at multiple senior living communities has also proven to increase customer satisfaction.

In his free time, Gilder enjoys spending time with Sandy, his wife of 26 years, and their two sons. He is a sports enthusiast and long-time Lakers superfan. He and his wife have an active lifestyle

New Wave Home Care's Operations Manager Royce Gilder brings with him 16 years of experience in the senior living and care industry

of their own. Together, they have completed 11 Susan G Komen walks, which requires walking 60 miles over the course of three days. This dedication has resulted in raising thousands of dollars towards breast cancer research. Gilder's mentality is that of hard work and self-motivation for a greater good.

New Wave Home Care is a premier provider of non-medical private in-home care, servicing over 10+ cities throughout Southern California, and the greater Los Angeles area. New Wave Home Care's mission is to provide compassionate care for those who need help. Families prefer New Wave Home Care for their 24/7 concierge-level support and full range senior care services with skilled, compassionate, and committed caregivers.

The advertisement features the New Wave Home Care logo at the top, which includes a stylized wave icon and the text 'New Wave HOME CARE'. Below the logo is the tagline 'Caregiving Services with a Heart'. The main image shows a young woman with blonde hair, wearing a white lab coat, smiling as she assists an elderly woman with grey hair who is seated in a wheelchair. The background is a bright, indoor setting with a window. At the bottom of the image, there is a blue banner with white text that reads: 'Call for a FREE In-Home Assessment: (888) 385-9898 Or visit us at www.nwhc.com'. Below the image, the text states: 'New Wave Home Care is a provider of full-service elderly in-home care in the Los Angeles and surrounding areas.'
