

SCOTT HOLSTEIN DELIVERS THE FEEL-GOOD ANTHEM FOR THE SUMMER OF 2020 - "HILLBILLY LOVE"

Scott Holstein's uplifting, high-energy, toe-tapper is an honest celebration of the true power of community, faith, family & friends.

FRANKLIN, TENNESSEE, USA, July 25, 2020 /EINPresswire.com/ -- Scott Holstein's uplifting, high-energy, toe-tapper is an honest celebration of the true power of community, faith, family & friends.

Holstein's "[Hillbilly Love](#)" takes you on a whirlwind ride through a current snapshot of a life lived wherein the simpler things really do matter most; even more so in these trying times. It's the magic, mystery and beauty of a new found cultural evolution... written in the mountains and in the stars...

Scott Holstein

"The unforgettably titled new single [from Scott Holstein begins](#) with a strum of an acoustic guitar that doubles as the tearing down of a gate for Holstein's beautiful and effectual baritone to ride into the ether.

"[Hillbilly Love](#)" sounds like the singer/songwriter's treatise on a life of productivity, generosity, and sensitivity. "They call it hillbilly love," he declares with vocal thunder, "You can't always win / but you can always do better."

Like a great cultural ambassador from the Southern hills, he co-opts the derogatory term for his own edifying purpose: "When push comes to shove / Rise above / And show some hillbilly love."

The song's lyrical content is apolitical, and rather than public policy or electoral competitions, Holstein focuses on the virtues of honesty, authenticity, compassion, and selflessness. At a time

when there is particular focus on the errors and misdeeds of the American South, "Hillbilly Love" serves as a hopeful and necessary reminder that kindness, and as Holstein puts it, "a cultural evolution" can come in many forms from many different people. There is no monopoly on goodness.

Musically, "Hillbilly Love" is as inviting as its sentiment. Holstein sounds like Randy Travis, and with certain phrasing – Elvis Presley – as he leads an outstanding band, featuring the accents of excellent country-style guitar, through an instantly infectious, up tempo performance. No matter where you live, you can sing, dance, and raise a glass with "Hillbilly Love."

~ David Masciotra is the author of four books, including Barack Obama: Invisible Man (Eyewear Publishing, 2017) and Mellencamp: American Troubadour (University Press of Kentucky, 2015)

“

"Hillbilly Love" serves as a hopeful & necessary reminder that kindness & as Holstein puts it "a cultural evolution" comes in many forms from many different people. There is no monopoly on goodness."

David Masciotra

"Within' a world tempered in confusion, time still exists. What one does in that time will be recorded in the Heavens. As given!... the opportunities granted... one must only ponder as to why...Me? But only GOD is Good and still in control. It's what we do for the Glory of Him that matters."

~ SCOTT HOLSTEIN, Independent Artist / Songwriter
