

Solitaire.kim Launches New Gaming Site with 300+ Card Games

NEW YORK, NEW YORK, USA, July 26, 2020 /EINPresswire.com/ -- [Solitaire.kim](https://solitaire.kim) Launches New Gaming Site with 300+ Card Games

The site is already becoming hugely popular with new and avid card game players.

(NY, New York) – [Solitaire](https://solitaire.kim) is pleased to announce it has officially launched its new gaming site, with over 300+ popular card games.

Solitaire.kim is a gaming website with over 300 versions of the ever-popular Solitaire game. Each version is 100% free to play online and are compatible with any device, such as PC, MacOS, Android, iOS, and Linux – making it one of the most versatile gaming sites currently on the market.

With Solitaire.kim, users won't have to download any software, nor will they have to register to access the site, which ensures private and discreet gameplay. Additionally, features such as double-click to automatically move the cards to its correct position, unlimited undo, and an integrated timer make playing a truly interactive experience.

Solitaire is a unique card game in the sense that just one player can enjoy a game of cards, without having to find an in-person or virtual opponent. It is a single-player game that tests the user's concentration and skill by requiring them to use up all their cards in a particular manner. Solitaire can be played via hundreds of variations, making it incredibly versatile, fun, and engaging for players of all ages.

Some of the 300+ Solitaire versions include all of the most preferred methods, plus fun and exciting alternatives never seen before. These versions include:

- Klondike
- Spider
- FreeCell
- Pyramid
- Golf
- Crescent
- Scorpion
- Yukon

Canfield
And hundreds more!
