

Investment CEO Launches Law Firm Focused on Securities and Corporate Law

Providing regulatory compliance for small and midsize companies and funds.

PRINCETON, NEW JERSEY, US, July 27, 2020 /EINPresswire.com/ -- Attorneys Shahroz S. Ahmad and Tariq Hussain announced the formation of a new law firm focusing on securities regulation compliance, corporate law, intellectual property and entertainment law with a specific focus on small to mid-size privately held companies.

Tariq Hussain has over a decade of experience dealing in corporate law, complex civil litigation, and securities regulations. He has worked on complex, multidistrict litigation such as In re Terrorist Attacks of September 11, 2001, SDNY. In addition, Tariq has represented real estate funds and

small private companies in preparing private offerings under Regulation A+ and Regulation D. Tariq also has experience in international trade and foreign investment. Tariq also serves as the CEO of Bervann Capital, an investment consulting group that has established a global ecosystem with over \$3 trillion in assets under management.

Shahroz S. Ahmad has a strong background in entertainment law, corporate law, and intellectual property. He has specifically focused on music law, negotiating and drafting large scale music contracts from his time at Warner Music Group. His intellectual property experience spans copyrights and trademarks. He has also specialized in building start-up companies and developing corporate structures for small businesses. Shahroz is also the Founder & CEO of 92F Entertainment, an entertainment consulting agency created to serve the business needs of content creators.

The firm seeks to establish a strong practice bolstered by the best attorneys in securities regulations for small and midsize companies who are often unable to access capital due to

"

We aim to usher a new era where the best ideas are not slowed by costly and burdensome regulations and compliance is reachable for the smaller guy." *Tariq Hussain, Co-founder Ahmad & Hussain Law Group* prohibitively expensive cost of compliance. The firm aims to provide access to new regulations under the JOBS Act such as Regulation A+ and Regulation CF for crowdfunding. In addition to securities regulations, the firm also provides services in corporate law and civil litigation.

"We intend on building a leading, national firm with a topnotch service that is accessible to smaller private companies. We also hope to elevate the practice of law into the digital age by doing away with antiquated practices and building a technology infused law firm of the

future," said Ahmad, who serves as one of the managing partners.

"Business and technology are the wave of the future and will lead our country into further growth and prosperity. However, costly and burdensome regulations prevent some very talented founders and excellent ideas from reaching fruition. Our objective is to usher a new era where the best ideas are not slowed by these initial hurdles and compliance is reachable for the smaller guy," said co-founder Tariq Hussain.
