

Harvest Landscape Enterprises, Inc. Hires New Landscape Designer

ANAHEIM, CA, UNITED STATES, July 27, 2020 /EINPresswire.com/ -- [Harvest Landscape Enterprises Inc.](#) hires [Kevin Gear](#) as Landscape Designer to work on enhancement and reconstruction projects.

"Kevin is innovative and passionate about landscape design and brings a "win-win" spirit to Harvest family. Kevin has proven to be a valuable asset to our clients and enjoys working closely with the Harvest Team. His experience and fresh perspective will be a great addition to the Harvest Family," said Robert Gavela, CPO.

As a former Professional Horticulture Intern at Walt Disney World, Gear was tasked with maintenance and design jobs throughout the entire Disney property. Having the opportunity to work in landscape maintenance gave Gear a clear understanding of the importance of native plant selection to achieve optimal success for long-term landscape design projects.

[Steven Schinhofen](#), CEO shared, "I was looking for someone who was highly creative and who shares our core values of being accountable and reliable. Kevin is a skilled designer who understands the balance of landscape design elements and the importance of proper plant selection."

Gear is a graduate of Penn State University where he obtained a B.S. in Landscape Contracting with an emphasis on Design/Build. While at college, Gear was a middle blocker for the Varsity Volleyball team where they won 3 Conference Championships. He later went on to be a Professional Volleyball Player in the Czech Republic for two seasons.
