“

We are excited to add Oscar Health on our list of accepted insurance companies”

Lana Garner, DOM Holistic Medicine Director of DOCS Outside the Box!

Box! (DOCS) announced today that they are currently accepting [Oscar Health Insurance](#) effective July 1, 2020.

DOCS is a multispecialty clinic that combines family medicine, [urgent care](#), and holistic care services. The clinic focuses on empowering patients and providing options - allowing individuals to take control of their medical care.

Oscar is one of the fastest growing health insurers in the United States. They expect to have over 400,000 members insured under its healthcare plans by the end of 2020.

DOCS is one of a select group of Tampa Bay physicians who were added to the insurance plan in the last year.

This release comes immediately after an announcement that DOCS Outside the Box! is providing onsite [COVID testing](#) for small business and large employers. The service includes the scheduling of DOCS Outside the Box medical staff, travel to a central place of employment, and facilitation of COVID testing for a collection of employees.

DOCS Outside the Box! is on a mission to become one of the largest urgent care centers in the Tampa Bay area.

“We are excited to add Oscar on our list of accepted insurance companies,” said Lana Garner, DOM Holistic Medicine Director of DOCS Outside the Box! “Adding another insurance plan will help us increase our reach and continue our growth plans.”

About Oscar

Oscar is the first direct-to-consumer health insurer pairing member engagement with our own full-stack technology. Since launching in our first market in 2014, we have made great progress against our mission of creating a simpler and more affordable health insurance experience for more people across the U.S. 2019 was a year of sustainable growth for our company. We nearly doubled membership and revenue, bolstered by our most significant market expansion to-date and entrance into the Medicare Advantage market.
