Important Note from the Georgia Mesothelioma Victims Center about the Coronavirus and mesothelioma: "If your loved one had significant exposure in the navy or at work prior to 1982 and he is now in the hospital with suspected Coronavirus-please tell his treating physicians about the asbestos exposure. If he dies-insist order an autopsy to rule out mesothelioma or asbestos exposure lung cancer. There is no financial compensation for the Coronavirus. In some instances-mesothelioma compensation can exceed a million dollars. The average age for a person with mesothelioma in the United States is 72 years old."
