

Seaper Powers Releases a SECOND Children's Album

'Connecting To Animals' is a 10 track collection of island-style children's music focusing on friendship and conserving the environment.

MIAMI BEACH, FLORIDA, USA, July 28, 2020 /EINPresswire.com/ -- Record label and production company, Side FX Partners, LLC is at it again. In anticipation of the upcoming film, "[Seaper Powers](#) The Movie", they have just released a second album supporting the animated feature film called, "Connecting to Animals'.

True to the theme of the title, the 10 track album includes songs about friendship, kindness, and respect to both other humans and animals. The music also incorporates the importance of ocean conservation as well. The album starts out with a sweet and adorable, yet heartfelt and inspiring spoken word segment by the multi-talented, Kim Cameron, who is not only the writer, director, and producer of the series but also the recording artist.

"I am a vocal teacher in an after school mentoring program in the heart of Miami. The children love to sing, they love to dance, so this album was really dedicated to each and every one of them. They always seem to make me smile." -Kim Cameron

Kim Cameron with some of the lucky students who got to hear her read the Seaper Powers book series.

Seaper Powers is a children’s series following the adventures of Emma and her sea creature friends. “In Search of Blue Jays Treasure” (the latest book) has been recognized by the Purple Dragon Book Awards. Ms. Cameron has been touring elementary schools and libraries across the country reading her stories and encouraging ocean conservation to children. The series also has an impressive collection of plush dolls, toys, and just introduced their erasable new coloring book.

“[Seaper Powers The Movie](#) Soundtrack” is due to be released in the late Summer of 2020. The first single, “Mr. Octopus”, was released in November 2019 and the video was featured on YouTube Kids and have received a Hollywood Music & Media nomination for Best Children’s Song. There is also an official soundtrack album that features a compilation of tracks and background music used in the film. The music for both albums matches the ocean theme of the books and film with an eclectic mix of reggae beats, calypso, deep house sounds, electro-pop, rap, children's pop, and tropical jazzy notes. Musical voices and talent for the music include, Kim Cameron, John DePatie, Kris Pierce, Leo “DaVinci” Mayorga, among others.
