

Total ABA Software Promotes Dustin Carter to President

Total ABA, a leader in Behavioral Health software solutions, is proud to announce the promotion of Dustin Carter to President.

TEMECULA, CA, UNITED STATES, July 30, 2020 /EINPresswire.com/ -- Dustin Carter is a co-founder of Inviscid Software. He has had a distinguished career and is widely respected for his business acumen and expertise in medical and [Applied Behavioral Analysis software](#) development.

In addition to his current product development charter, Dustin and his new team will be responsible for all day-to-day operations of Total ABA, including: product strategy, operations, systems integration, and simplifying the user experience.

"Dusty is the ideal individual for this challenging role. His industry expertise, attention to detail and focus on customer satisfaction will help Total ABA transform the way the Behavioral Health industry delivers services," commented [Larry Morgan, CEO of Total ABA](#). "He has designed and implemented our Payroll, [Smart Scheduling](#), Clinical Behaviors and Graphing, and Parent Portal modules, helping Total ABA to grow revenues over 140% over the last two years. I am confident that as our President, Dusty will enable us to be an innovation leader in the Behavioral Health Industry."

About Dustin Carter: an accomplished healthcare executive with outstanding leadership,
