Health and safety of customers and Valley Kia staff is being taken into account each day with implementation of multiple steps to protect everyone who works at or visits this Modesto, CA, Kia dealership.

[Valley Kia of Modesto, CA](#), announces that its dealership is fully open for business, following guidelines to keep everyone as safe as possible during these unprecedented times. The Valley Kia team that has served the community for years has rededicated itself to making the car shopping experience pleasant and stress free.

Protecting the health of customers and team members is of the utmost importance to Valley Kia. Since the outbreak of COVID-19 the dealership has taken multiple precautions to keep people safe, including:

- Keeping the dealership and customer contact points clean and virus free during this time, including continuous disinfection of all surfaces
- Requiring proper hand wash and hygiene practices from all customers and staff members and mandating that all members of our service team wear hand protection
- Ensuring team members with cold or flu like symptoms remain home for proper recovery
- Following social distancing guidelines

Sanitation of all vehicles: All vehicles, including for sale vehicles and those from our service customers, are comprehensively sanitized upon arrival and departure from the dealership. All high-contact points (including steering wheel, driver and passenger areas and door handles) are

thoroughly disinfected.

While Valley Kia continues to serve drivers' needs with exceptional new, used and Certified Pre-Owned Kia vehicles, the main focus at the dealership is the continued emphasis on the health and well-being of its guests, staff, family and friends. To this point, Valley Kia would like to point customers to its website that assists with many transactions, including submission of financing applications and scheduling vehicle service. The dealership appreciates its customers' business and thanks them for their confidence in Valley Kia of Modesto.
