

Oregon US Navy Veterans Mesothelioma Advocate Offers the Family of a Navy Veteran with Mesothelioma in Oregon Direct Access to Attorney Erik Karst of Karst von Oiste-Please Don't Roll the Dice on Compensation

PORTLAND, OREGON, USA, September 14, 2020 /EINPresswire.com/ -- The Oregon US Navy Veterans Mesothelioma Advocate says, "We do not want one Navy Veteran with mesothelioma in Oregon to get financially shortchanged because they thought it wise to hire a local car accident attorney rather than one of the nation's most skilled mesothelioma attorneys. Erik Karst is one of the nation's most experienced mesothelioma attorneys and he and his colleagues at Karst von Oiste have been assisting Navy Veterans with mesothelioma for decades and they are responsible for over a billion dollars in compensation for people like this. For direct access to attorney Erik Karst please call 800-714-0303 anytime. Erik Karst is a much better option than a 'free' booklet about mesothelioma." www.karstvoniste.com/

The Advocate fears that because of the Coronavirus many Navy Veterans who have mesothelioma delayed going to

the doctor-or if they had been diagnosed with mesothelioma, they delayed medical treatments. "If you husband or dad is a Navy Veteran and he has been diagnosed with mesothelioma please call 800-714-0303 for direct access to attorney Erik Karst of Karst von Oiste. Erik will be able to explain the mesothelioma compensation process over the phone to a Navy Veteran or their family and based on how, where and when the Navy Veteran was exposed to asbestos-Erik should be able to provide the Veteran and their family with an estimate of what the compensation claim might be worth. Frequently mesothelioma compensation claims for Navy Veterans exceed a million dollars." www.karstvonoiste.com/
