K9 Medibles wholesome, all-organic CBD treats for dogs

"I'm excited about the release of our new wholesome CBD treats this month, it's a great compliment to our clinically effective 2-In-1 Canine Support Formula", said Curtis Barnes - founder and CEO of K9 Medibles. "I'm proud to announce the release of our new CBD treats as part of our line of premium pet care products. We've selected the finest full spectrum hemp CBD to combine with the medicinal healing properties of Turmeric and Bosswellia for a delicious food based treat for dogs."

"With this announcement we are intending to bring to market the most effective, therapeutically active, full-spectrum hemp CBD treat to help dogs feel better while offering a superior therapy at lower market entry prices for pet parents. I believe every dog can benefit from cannabinoid therapy and we have made it easier for more dogs to experience the healing benefits of CBD in a convenient edible CBD treat for dogs.

K9 Medibles is committed to being a worldwide leader of cannabinoid products to help support canine health by providing research into using CBD as a treatment alternative so that this amazing phytonutrient is made available to all devoted dog owners to keep their furry companions healthy and happy. Their passion is to help pet parents provide the best nutritional support to care for their aging & ailing canine family members.
