This report segments the global Pharmaceutical Intermediates market as follows:

## Global Pharmaceutical Intermediates Market: Type Segmentation Analysis

GMP

Non-GMP

## Global Pharmaceutical Intermediates Market: Application Segmentation Analysis

Antipyretic Analgesics

Vitamins

Antibiotics

Others

## Global Pharmaceutical Intermediates Market: End-Users Segmentation Analysis

Research Labs

Pharmaceutical Companies

Contract Manufacturing Organizations

Others

### About Us:

Facts & Factors is a leading market research organization offering industry expertise and scrupulous consulting services to clients for their business development. The reports and services offered by Facts and Factors are used by prestigious academic institutions, start-ups, and companies globally to measure and understand the changing international and regional business backgrounds. Our client's/customer's conviction on our solutions and services has pushed us in delivering always the best. Our advanced research solutions have helped them in appropriate decision-making and guidance for strategies to expand their business.
